Hi Norman,

I spent some time in concur and was unable to find any help on changing a route. However, it did find this <https://intranet.ord.epa.gov/travel/concur-routing>. It is a form to request changes to concur routing through the ORM travel services branch.

Let me know if you need any further assistance.

Thanks!

Hi Maya,

It looks like Amar is still in my approval routing list (please see the screenshot). Do you know who I should speak to in order to have this corrected? Thanks.
